AFSC HOME OF QUALITY & FUN SOCCER IN THE VALLEY!!!

AHWATUKEE FOOTHILLS SC

REC PROGRAM SPRING 2012 / PECOS PARK

Welcome to AFSC

Welcome to Ahwatukee Foothills Soccer Club. We are excited about the 2011-2012 Recreational Season. We expect your child to have the best soccer experience, both in terms of skill and love for the game. AFSC is an outstanding Soccer Club in the state of AZ with an emphasis on having a great Soccer developmental curriculum while having fun playing the game. We are now offering, for the 2011/2012 season, a great opportunity that is rare in Arizona. Our Recreational / Developmental Training Program will be provided by our qualified Professional Coaching staff throughout the Recreational season.

Program Goals

★Develop the players by teaching fundamental skills and strategies at age appropriate levels.
★Capitalize on each player's talent and potential by exposing them, on a consistent basis, to the very best coaching and training as they grow and mature.
★Expand the players and parents knowledge about the game.
★Give players the opportunity to learn how to play soccer while having fun.

CURRICULUM OVERVIEW

Players on this program will be exposed to our Professional Club Coaches. Our training sessions consist on the very activities needed to develop the basic qualities such as coordination, agility, speed and foot skills. The technical development skills will be based on fun, motivational and educational games such as small sided games with small goals. Our professional Coaching staff will be running the Saturday games for the purpose of supporting players, parents, parents-coach, along their Saturday games activities. We also will be tracking potential players that might be ready to move up to our competitive side for the following season. All practices and games will be held at one location for your convenience.
